

Graduate Research Grants

For research, creative activities and conference presentations

Grant Application

Deadline for Fall: October 15

Deadline for Spring: February 15

Georgia College graduate students are encouraged to apply for Graduate Research Grants to support the costs (conference fee, travel, and accommodations) associated with the *presentation* of their own original scholarship at professional academic conferences.

Students seeking funds to support *attendance* at academic conferences in the field of study should apply through the SGA student travel fund.

Mail or Deliver Completed Applications to:

Graduate Admissions-McIntosh House

Graduate Research Grants will be made in the following category:

Grants will be awarded that support student presentations of original scholarship or research conducted with a faculty mentor at professional academic conferences (international, national, regional, and state-level) in the student's discipline.

There is a maximum of \$400 per grant for conference fees, travel, and accommodations. Incomplete applications will not be considered. Only students who have not received funding in the past are eligible to apply.

Reimbursement Requirements

Reimbursement will be distributed for student expenditures once all documentation has been received and approved. All documentation must be delivered to The Graduate School within 14 business days (Monday-Friday) of the end of the conference or end of research trip as noted in grant application.

1. A three-to-five page reflection on the conference experience is due within 14 days of the end of the conference or research trip.
2. Travel expense report complete with receipts and a copy of the agenda/program of event if the grant is used to present at a conference or the completion date of the research trip in the grant application.

Evaluation Criteria Based on Student Abstract and Faculty Letter

Application Requirements:

- 1) Confirmation student work has been accepted for presentation at a conference, if applicable
- 2) Student originality of scholarship (i.e., research or creative activity)
- 3) Contribution of the scholarship to the discipline or profession
- 4) Presentation reflects student's familiarity with relevant literature and techniques
- 5) Budget includes clear justification of expenditures
