WHAT DO YOU DO ON A DAY-TO-DAY BASIS?

I currently serve as Program Coordinator for Alpha Phi Alpha Educational Talent Search, a federal TRIO program of the United States Department of Education. In this capacity, I oversee the implementation of college and career readiness programming for 680 middle and high school scholars a year in the Macon-Bibb County community preparing them for postsecondary success, assisting them with career exploration, and advising them through the financial aid process.

DO YOU HAVE ADVICE FOR STUDENTS?

"A major in Political Science comes with so many transferable skills that will allow you to be successful in numerous career fields. In our major, we are reminded that politics is involved in every aspect of life, so use that to your advantage to learn and grow as a professional while uplifting others along the way."
