NOTE ON EDUCATIONAL DOCUMENTS

GC's International Education Center will review your educational documents and equate your previously completed coursework to U.S. grade equivalencies. Generally, we do not require that you submit documents to an outside professional credential evaluation agency; however, at times, we may advise you to use such an agency if we are unable to determine educational equivalencies. Only agencies which are members of NACES (www.naces.org) may be used in these instances.

All educational experience must be supported by official documents submitted directly from the appropriate issuing institution(s) to Georgia College & State University listing courses taken (with credits/points or hours per course and grades awarded), educational degrees, certificates and/or awards received. If documents are in a language other than English, they must include an official (certified or attested) English translation. Supporting documentation must bear the original seal or stamp and the signature of an official of the issuing institution.

In rare instances, GCSU may accept a photocopy of original education documentation provided that the document photocopied is certified with an original seal or stamp AND original signature of:

- a) the issuing institution and a designated official, or
- b) a U.S. Consular or U.S. Educational official outside of the United States.

Certification with a Notary signature is not sufficient.

GCSU reserves the right to verify all submitted documents with the issuing institution. You may be asked to provide further proof of your educational history if such proof is deemed necessary by GC International Admissions.

APPLICATION DEADLINES

Applications are evaluated once the file is complete with all supporting documents received. Applicants will be notified of the admission decision after the file is complete. To ensure sufficient time to process the application and to apply for a U.S. visa, **students are strongly encouraged to complete the application process as early as possible and well in advance of posted deadlines.** Freshman applicants (new first-year students with no previous university coursework) are especially encouraged to apply early to ensure a space in the freshman class due to the limited class size.

To be considered for admission and for financial assistance, submit your completed application to our office by the recommended submission dates:

Fall Semester (Aug.-Dec.)**April 1**

Spring Semester (Jan.-May)**Sept. 1**

Applications received after the above dates may need to be deferred to the next available semester.

HOUSING

GCSU offers a number of choices for on-campus living, from traditional residence halls on main campus to apartment-style living at The Village at West Campus. All freshmen (first-year undergraduates with less than 12 credit hours of university coursework) are required to live in university housing during their first year of study at GC. If you are a freshman who is 21 years of age or older, you can request an exemption from the housing requirement. Any request for an exemption must be made in writing to the Director of University Housing prior to the start of the semester in which you plan to enroll.

SCHOLARSHIPS

The International Education Center offers international students a chance to compete for one of almost 40 international scholarship awards. The International Student Scholarship is a partial tuition waiver offered to students based on a variety of factors including academic excellence and financial need. The size of the award can vary from a total value of \$38,000 to \$76,000 over four years of study. Interested students should apply for the scholarship along with their application for admission by the application deadlines.

FINANCIAL DOCUMENTATION

All applicants who need to obtain a student (F-1) visa to study in the United States must demonstrate that they have sufficient funds to pay for tuition, fees and living expenses while at GC. You must complete, sign and submit the Declaration of Finances form and provide a bank statement or certificate of balance prepared within the last six months. The bank document should include the name of your sponsor as listed on the Declaration of Finances form. We cannot accept photocopies, scanned copies or faxed copies of bank documents.

ACCEPTANCE AND VISA APPLICATION

If you are granted admission to the university, you will be notified first via email. You will later receive an official acceptance package that will include the bank statements you sent to us along with an immigration form called the I-20. You will need to take these documents to the U.S. embassy for your student (F-1) visa interview.

We will send you the acceptance package via regular air mail. If you would like expedited delivery of your documents via UPS, you will need to provide a payment of U.S. \$100 by credit card or check before the documents are mailed. You may also pay for express delivery at a UPS, DHL or FedEx site in your country and arrange for an agent to pick up the package from our office.

ANNUAL SECURITY AND FIRE SAFETY REPORT

The GC Annual Security and Fire Safety Report includes crime statistics for the previous three years concerning reported crimes that occurred On Campus; in or on certain Non-campus buildings or property owned or controlled by GC; and on Public Property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, fire safety policies/statistics and other matters. Application Guidelines and Information

The University System of Georgia's Board of Regents has designated a portion of its funds specifically to help International Students who pursue a higher education in the state of Georgia. Georgia College & State University is pleased to be able to use these funds to award International Student Scholarships (ISS) to qualified and deserving students.

1. The competition for the International Student Scholarship (ISS) is great due to the high number of applicants and the limited amount of funding available for awards.
2. The ISS waives the out-of-state tuition fees that must be paid in addition to regular tuition and fees by all students who are not permanent residents of the State of Georgia. Some students may be awarded a full waiver of out-of-state tuition and others a half waiver of out-of-state tuition.
3. The application for the ISS can only be considered after a student has been regularly admitted to Georgia College & State University. The student must be in valid F-1 visa status from the beginning of the semester of enrollment. Georgia College awards ISS's to applicants before they arrive on campus. If international students want to be considered for these awards, the application for the ISS must accompany the application for admission and be submitted to the International Education Center by the application deadline.
4. Those international students who were not awarded an ISS prior to attendance at GC can compete annually for a limited number of the available ISS's. The competition will be managed by the International Education Center and the International Education Committee.
5. In all cases, the ISS will be awarded on the basis of demonstrated academic ability, evidence of extracurricular involvement, and financial need.
6. Once awarded, ISS's are renewable for as long as the Georgia College student remains both academically and civically qualified, up to eight semesters, if necessary.

To remain academically qualified, the student must:

- a) be an undergraduate carrying a full academic load of 12 hours per term
 - b) maintain a minimum 2.50 GPA (Grade Point Average) on all course work.
- Grades will be reviewed at the end of each term.

To remain civically qualified, a student must:

- a) participate in the planning and implementation of both the annual International Dinner and the annual International Week
 - b) speak to classes and/or civic groups about the student's country and culture or about an issue relevant to both the student and the audience being addressed.
7. Students who are in jeopardy of losing their scholarship for academic or civic reasons will be notified. Students will have one semester to improve performance and return to good standing before the termination of the ISS.
 8. The scholarship will remain in effect for one full year (including summer term, if desired) as long as the student remains academically and civically qualified to receive it. A request for renewal of the ISS must be made in April each year.
 9. If a student is awarded an ISS, and is unable to enroll during the original semester specified, the student must re-apply for the ISS through the GC International Education Center.

IMPORTANT NOTICE: Because of the large number of students applying for the ISS and the limited number that Georgia College is permitted to award each year, **you should NOT depend on this funding when filling out your Declaration of Finances!** If you are admitted to Georgia College AND are awarded an ISS, you will be notified by letter and your I-20 will reflect the amount of the award. **GC has no other scholarships to offer in-coming international students and no full scholarships for extreme need.**
