

CALENDER CHANGES

While changes to academic calendars are rare, circumstances occasionally require us to add additional information or modify published calendars. Rather than bookmarking this document, please use [our website](#) to ensure that you have the most up-to-date information. A change log is provided at the end of this document.

SUMMER PARTS OF TERM

The summer semester at Georgia College & State University includes seven shorter parts of term: Full Term, May, June, July, May-June, June-July, and a separate term for our Bridge Scholars Program. These parts of term are listed in the semester schedule and on student schedules. All information on this calendar is dependent on the part of term that a course is offered.

FRIDAY COURSE MEETINGS

On-campus summer courses generally do not meet on Fridays unless a holiday necessitates the addition of a class day. This summer, Friday class days will be held on Friday, May 31, 2024, for courses that did not have a class meeting due to the Memorial Day holiday, and on Friday, June 28, 2024, for courses that did not have a class meeting due to the Juneteenth holiday. Because there are no classes the week of Independence Day, there is no make-up class meeting for the Fourth of July.

SUMMER GRADES AND GRADUATION

Grades for all summer courses will be posted to students' records at the end of the summer semester, which, this term, will occur on Wednesday, August 7, 2024. Transcripts with summer grades posted will be available beginning Thursday, August 8, 2024. Grades are only available on official transcripts at the end of the semester, **not when the work is completed**.

Students graduating during the summer term must complete all coursework, assessment, and other requirements by Thursday, August 1, 2024. Any incomplete or in progress grades must also be reported by this time. Degrees will be posted for students who complete their final coursework during any part of the summer semester beginning Thursday, August 8, 2024. Degrees are only posted at the end of the summer term, **not when requirements are finished**. Students who need verification that their coursework or degree is complete but for whom official transcripts are not yet available may contact the Registrar's Office for a verification letter once their instructor has posted a final class grade.

OBSERVANCE OF RELIGIOUS HOLIDAYS

Georgia College & State University values the religious diversity of our students. Major religious holidays are listed and described on [this interfaith calendar](#). Students are permitted to miss class in observance of religious holidays and other activities observed by a religious group of which the student is a member without academic penalty. Students who will miss class in observance of a religious holiday or event are required to notify each instructor in writing within the first week of class of the semester in which the observance occurs and to make up the coursework missed as a result of the absence. Additional information and a faculty notification form are available in the Undergraduate and Graduate Academic Catalogs; the Georgia College & State University Policy, Procedures, and Practices Manual; and on the Registrar's Office web site.
