NUTCRACKER TECH WEEK

Arrive 15 minutes prior to your first rehearsal time in your costume with your hair properly secured (no make-up needed). Report to your check in area and wait to be escorted to the stage. If in Lanier, enter through Lanier Hall and not the front of Russell. Parents must stay with students for levels III and younger. Levels IV and up must be dropped off by a parent to their designated check in area and picked up on time from the staging area. If not already in the audience, dancers take all belongings to set in the audience seats when going on stage for the last rehearsal of the day. The dressing room will be already occupied by the next group. This will help us avoid congestion in small spaces. Dancers are responsible for the safety of their belongings.
