## User Guide FY25 RSO Purchase Request/Reimbursement

### Information to Consider Before Starting Your Purchase Request/Reimbursement

**A Purchase Request:** is a request to spend money from the RSO's account. Only Purchase Requests associated with an approved Line Item within an approved SABC Budget can be reviewed and processed.

A purchase request can only include one Vendor/Payee. Therefore, the Department of Student Engagement will need a new purchase request for each transaction you want to review and process.

**Reimbursement is repaying a person who has spent or lost money for the contribution made to your organization or club. It is only approved on a case-by-case basis.** Please check with Student Engagement before making any purchases.

**Travel reimbursement** is considered a separate type of reimbursement and will always be reimbursed for traveling for or during your RSO or Club Sports organization.

Only the officer who initiates the submission process can access, edit, and submit the Purchase Request.

Reviewing your approved SABC Budget Request before starting your Purchase Request is helpful. Proper and complete documentation is imperative to a successful and timely Purchase Request being reviewed, approved, and processed. If at any point you have questions about the RSO Policy, allowable expenditures, or anything to do with this process or SABC, please get in touch with SABC at the Student Government Association's office,

# PURCHASE PROCEDURE

- **Ensure budget allocation:** Ensure you have an allocated budget for any purchases.
- **Ordering Items for Meetings:** If you are hosting any meetings in the future, make sure to order all necessary items ahead of time.
- **Submit Purchase Request First:** A purchase request must be submitted before funds are spent on behalf of the organization.

**Approval Wait Time:** RSOs can submit purchase requests approximately three (3) days after receiving the approval notice.

## **Submitting a Request:**

**Promotional Items:** Enter your Purchase Request on GC Connect.

Upload all relevant documents with links to the items you wish to purchase (Amazon is recommended for ease and speed).

For items like T-shirts, submit a quote with your purchase request.

Quotes must be tax-exempt. This means they should not include any taxes in the quoted price. Once you have a tax-exempt quote, upload it as a purchase request to GC Connect.

## **Large Purchases:**

- If you need to order multiple items, please add them to a Word Document. The link, quantity, and color will be needed to place the order. Large items (e.g., tents, wagons) require a storage plan.

**Registered Student Organizations (RSOs) and club Sports must submit a Purchase Request within GC Connect to utilize approved annual or supplemental funds. As part of the updated process, please note the following: Requests for purchases made via email, office visits, or phone calls to the Office of Student Engagement will be redirected to the Purchase Request process within GC Connect.**

Go to [www.irs.gov/Form990](http://www.irs.gov/Form990) for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see Purpose of Form, below.

1 Name of entity/individual. An entity is required. For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.

4 Exemptions (codes apply only to certain entities; not individuals; see instructions on page 3):

5 Exempt payee code (if any)

6 Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

7 (Applies to accounts maintained outside the United States.)

8a If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. (See instructions.)

9 Address (number, street, and apt. or suite no.). (See instructions.)

10 City, state, and ZIP code

11 Requester's name and address (optional)

12 List account number(s) here (optional)

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN); however, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN, later.

Note: If the account is in more than one name, see the instructions for line 1. See also What Name and Number To Give the Requester for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

3. I am a U.S. citizen or other U.S. person (defined below); and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

**Sign Here**

Signature of U.S. person Date

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/Form990](http://www.irs.gov/Form990).

**What's New**

Line 2a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 9b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Are you planning to  
travel and pay for  
expenses upfront, such  
as lodging, meals, etc.?

Do you have a meeting  
that is going to require  
supplies?

# RSO OFF-CAMPUS

ACCOUNTS EIN FOR YOUR ORGANIZATION

ON-CAMPUS ADVISORS ARE NOT PERMITTED TO DO THE FOLLOWING:  
OPEN AN OFF-CAMPUS BANK ACCOUNT IN THE NAME OF OR FOR THE  
BENEFIT OF ANY RSO.

BE INCLUDED AS A SIGNATORY ON ANY RSO'S OFF-CAMPUS BANK  
ACCOUNT.

HAVE ACCESS TO FUNDS ASSOCIATED WITH ANY RSO'S OFF-CAMPUS BANK  
ACCOUNT (E.G. DEPOSITING FUNDS, WITHDRAWING FUNDS, OR SPENDING  
FUNDS)

---

**All RSOs reserve the right to maintain an off-campus bank account; however, no Institute Funds are permitted in these accounts.**

**Each RSO must set up the account using a unique Federal Tax ID/EIN. However, any RSO may never use the GCSU Federal Tax ID/EIN.**

## RSO Bank/Credit Union Accounts

---

Registered student organizations are required to hold accounts at a bank or credit union for all self-generated funds, such as membership dues and money raised through fundraising initiatives.

Outside accounts are the sole responsibility of each organization. The organization is not allowed to use the University taxpayer identification number or the University's name to establish or imply affiliation with the University when opening an outside account. The responsibilities include but are not limited to, tax filing and reporting obligations to the IRS or similar agencies. Any account identified using the University's name or taxpayer identification number will be terminated immediately by the University. Ensure the organization name you file does not include GCSU or Georgia College & State University.

Be aware that your RSO's name may already be in use by another U.S. organization, and you will have to edit it for your EIN application to go through.

---

## **How to open a student organization outside bank account**

---

1. Apply for an EIN (Employer Identification Number) number for your organization through the IRS at [http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Apply-for-an-Employer-Identification-Number-\(EIN\)-Online](http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Apply-for-an-Employer-Identification-Number-(EIN)-Online)

a. Read the instructions and click “Apply Online Now”

b. Read the instructions and click “Begin Application”

c. Select “View Additional Types including Nonprofit/Tax-Exempt Organizations” and click “Continue”

d. Select either “Community or Volunteer Group” or “Social or Savings Club” depending on which best describes your organization and click “Continue”. Definitions are as follows:

Community or volunteer groups: groups that share a common interest and come together to provide volunteer services, such as neighborhood watch groups, preservation societies, etc.

Social Club: a group organized for leisure, recreation, or other similar non-profitable purposes. Some types of social clubs include sailing clubs, hiking clubs, art groups, etc.

e. For the address, use:

Campus Box 100 Office of Student Engagement

Milledgeville, GA 31061

f. For phone, use the Student Activities number:

g. You will be prompted to include your social security number; please note that you will not be taxed as an individual on the RSO account funds.

h. Share the assigned EIN with your advisor and save a copy in your secure student organization files for future use.

---

---

2. Research the best options for your organization. Questions to ask include:

- a. What fees are associated with the account?
- b. What is the minimum balance required for the account?
- c. What are the charges for being overdrawn?
- d. How many individuals may be authorized to sign on checks?
- e. When leadership changes, how do we change the authorized signature on the account?
- f. What steps can be taken if the previous signer is unavailable?
- g. Is it easy for students to get to if they do not own a car?

3. The individuals with signature authority on the account must go to the bank/credit union together to open the account – bring your driver's license and EIN number. Make sure to sign up for electronic bank statements rather than paper copies.

---

---

# RECOMMENDATIONS

1. Have 3 signature authorities on your account.
  2. Advisors should NOT be a signature authority to reduce personal liability. Students in leadership positions should be able to handle the account. Find a banking location that allows for this.
  3. It is strongly recommended that you use a bank/credit union at which the signature authorities do NOT have a personal account.
  4. Have a thorough conversation about the pros and cons of using debit cards, as the misuse of funds can be much greater. Checks will require a signature and can be more easily traced than electronic transactions.
  5. Develop organizational accounting procedures for record keeping. Require receipts for reimbursements and keep them in an organized filing system.
  6. Add a statement in your constitution providing instruction on where funds should go if the account needs to be closed.

Tax-exempt Status – just because you have a tax ID doesn't make you tax-exempt.

Registered student organizations CANNOT use the Georgia College & State University tax-exempt number to make purchases when using this type of account. Each organization must apply for its own tax-exempt number. If nationally affiliated, some groups may be able to use the tax-exempt number of their national organization, which will have established guidelines on how it can be utilized.

To qualify as tax-exempt from federal taxes, a group must meet the requirements outlined in the Internal Revenue Code. For more information, visit <http://www.irs.gov/Charities-&-Non-Profits/Types-of-Tax-Exempt-Organizations->.

To qualify for Georgia tax-exempt status, a group must meet the requirements set forth by the state. More information is available at <https://dor.georgia.gov/taxes/sales-use-tax/tax-exempt-nonprofit-organizations>.

Obtaining tax exemption for an organization is a long and detailed process. You will also need to strictly follow reporting rules set forth by the IRS. If your organization should qualify for and receive a tax-exemption number, provide your advisor and the Office of Student Engagement with a copy of the tax-exempt letter to keep on file.
