

Impact on P-12 Student Learning and Development (Component 4.1)

Source: Preparation Program Effectiveness Measures, Georgia Professional Standards Commission, 2018 PPEM Calculation Year

Student Growth Percentiles (SGPs) Description– Student Growth Percentiles (SGPs) shall be used as the student growth component of the Teacher Effectiveness Measure (TEM) for teachers of SGP grades and courses. Annual calculations of student growth for SGP grades and courses are based on state assessment data (Georgia Milestones EOGs in grades 4-8 ELA/Reading and Mathematics and EOCs in ELA and Mathematics). The grand mean of SGP performance for SGP grades and courses taught in the school will be used in calculating the TEM.
