Brought to you by Georgia College Leadership Programs, the Usery Forum on Leadership offers a trusted forum on citizen-leadership and pressing issues of the day. For more than a decade, we have brought together a diverse audience of scholars and students, as well as business leaders, non-profit executives, journalists, and public officials. We are Georgia College's leading voice on leadership and the public good. With a range of dynamic speakers, our events allow participants to gain and share insights and drive positive change—in their lives, in their organizations, and across their communities.
